"COMMUNICATIONS: THE GLOBAL BRIDGE"

CALL FOR PAPER – TECHNICAL PROGRAM

IEEE GLOBECOM 2006 will feature Technical Symposia, a Design & Developers Forum, a Telecom Business Forum, a General Conference focusing on Emerging Technologies, and Tutorials & Workshops. Researchers are invited to submit original technical papers on all communication topics for presentation at the Technical Symposia. All papers will be refereed and published in the Conference Proceedings. Authors are advised that accepted paper submissions may be chosen for poster or lecture sessions based on criteria that are independent of the review scores. Proposals for the new Expo Technical Program are also invited. Please visit the website for further details at: http://www.ieee-globecom.org/2006/

Complete Paper Manuscripts for the Technical Symposia Due: ~~5 March 2006, 11:59 pm EST~~

Do not wait until the last minute to submit. NO EXTENSIONS WILL BE GRANTED BEYOND THIS DATE. Electronic submission of full papers should be made online at EDAS which is also linked to the conference website.

> **Technical Program Chair:**   Zhi Ding, UC Davis (zding@ucdavis.edu)
> **Technical Program Vice-Chair:** Chen-Nee Chuah, UC Davis (chuah@ece.ucdavis.edu)

The General Conference on Emerging Technologies will only accept papers on topics not covered by the other 15 symposia listed below. For more information, please contact the co-chairs: Chen-Nee Chuah (chuah@ece.ucdavis.edu), Stefano Galli (sgalli@research.telcordia.com), Lutz Lampe (lampe@ece.ubc.ca), and Haniph Latchman (latchman@list.ufl.edu).

Symposia and Symposium Chairs:

- Advanced Technologies & Protocols for Optical Networks
  Co-Chairs: Maurice Gagnaire (gagnaire@enst.fr)
  Nasir Ghani (nghani@tntech.edu)

- Communication Theory
  Chair: Hamid Jafarkhani (hamidj@uci.edu)
  Vice-Chair: Erchin Serpedin (serpedin@ee.tamu.edu)

- Computer & Network Security Systems
  Co-Chairs: Stamatios Kartalopoulos (kartalopoulos@ou.edu)
  Hsiao-Hwa Chen (hshwchen@ieee.org)
  Mohsen Guizani (mguizani@cs.wmich.edu)

- Control and Management of High Performance Networks
  Chair: Ibrahim Habib (habib@ccny.cuny.edu)
  Vice-Chairs: Daniel Awduche (awduche@awduche.com)
  Piet Demeester (piet.demeester@intec.ugent.be)

- Information and Communications Security
  Co-Chairs: K. P. Subbalakshmi (ksubba@stevens.edu)
  Mehmet Ulema (mehmet.ulema@manhattan.edu)

- Internet Services and Enabling Technologies
  Co-Chairs: Volker Hilt (volkerh@bell-labs.com)
  Anees Shaik (aashaikh@watson.ibm.com)

- Multimedia Communications
  Co-Chairs: Gary Chan (gchan@cs.ust.hk)
  Pascal Frossard (pascal.frossard@epfl.ch)

- Next Generation Networks
  Co-Chairs: Nirwan Ansari (ansari@njit.edu)
  Mohammad Atiquzzaman (atiq@ou.edu)

- Quality, Reliability, and Performance Modeling for Emerging Network Services
  Co-Chairs: Michael Devetsikiotis (mdevets@ncsu.edu)
  Algirdas Pakštas (a.pakstas@londonmet.ac.uk)
  Hiromi Ueda (ueda@cs.teu.ac.jp)

- Satellite and Space Communications
  Co-Chairs: Mario Marchese (mario.marchese@cnit.it)
  Abbas Jamalipour (a.jamalipour@ieee.org)
  Michael Hadjitheodosiou (michalis@isr.umd.edu)

- Signal Processing and Coding for Data Storage
  Co-Chairs: Erozan Kurtas (erozan.m.kurtas@seagate.com)
  Nedeljko Varnica (nvarnica@marvell.com)

- Signal Processing for Communications and Electronics
  Co-Chairs: Hung Nguyen (hung.h.nguyen@aero.org)
  Bin Qiu (bq@csse.monash.edu.au)

- Wireless Ad Hoc and Sensor Networks towards Anytime Anywhere Internetworking
  Co-Chairs: Hussein Mouftah (mouftah@site.uottawa.ca)
  Hossam Hassanein (hossam@cs.queensu.ca)
  Guoliang Xue (xue@asu.edu)
  Raouf Boutaba (rboutaba@uwaterloo.ca)

- Wireless Communications and Networking
  Co-Chairs: Sastri Kota (skota@harris.com)
  Shahrokh Valaee (valaee@comm.utoronto.ca)
  Boon Sain Yeo (boonyeo@ieee.org)
  Yi Qian (yi.qian@ece.uprm.edu)

- World Class Solutions: Networking the Globe
  Chair: Charalabos Skianis (skianis@iit.demokritos.gr)
  Vice-Chairs: Pascal Lorenz (lorenz@ieee.org)
  Spilios Makris (smakris@telcordia.com)
  Jose-Marcos Nogueira (jmarcos@dcc.ufmg.br)
